PROFESSIONAL SUMMARY

Junior Full Stack Developer with project-based experience building and deploying web applications using React, Angular, Node.js, Express, and MongoDB. Developed and delivered full-stack projects including a Recipe Book application and Flight Booking System. Strong understanding of frontend development, REST APIs, database integration, and responsive design. Passionate about writing clean, maintainable code and eager to contribute to innovative technology teams while continuing to grow as a software developer.

TECHNICAL SKILLS

Languages: JavaScript (ES6), HTML5, CSS3

Frontend: React.js, Angular, Bootstrap

Backend: Node.js, Express.js

Database: MongoDB Atlas

APIs: REST APIs, Axios, HttpClient

Tools: Git, GitHub, VS Code

Core Concepts: CRUD Operations, MVC Architecture, Routing, State Management, Responsive Design

PROJECTS

YouChef – Full Stack Recipe Book Application

React | Node.js | Express | MongoDB | Axios

- Developed a full-stack recipe management platform with complete CRUD functionality.
- Built reusable React components using Hooks and state management.
- Created RESTful APIs using Node.js and Express.
- Integrated MongoDB Atlas for cloud-based data storage.
- Designed a responsive user interface using Bootstrap.
- Managed source code using Git and GitHub.

Flight Booking Application

Angular | Node.js | Express | MongoDB

- Developed a full-stack flight booking system with separate user and admin modules.
 - Implemented CRUD operations for flights and bookings.
 - Built modular Angular components with routing and form validation.
 - Consumed backend APIs using HttpClient.
 - Designed a responsive and user-friendly interface using Bootstrap.
-

PROFESSIONAL EXPERIENCE

Kumon UK – Classroom Assistant

Northwich | Dec 2023 – Present

- Assisted students with Maths and English learning programmes.
 - Managed student records and administrative tasks accurately.
 - Maintained a structured and productive classroom environment.
 - Communicated effectively with parents and instructors to support student progress.
-

EDUCATION & CERTIFICATIONS

- MEAN / MERN Stack Certification — FirstBit Solutions, Pune
- Diploma in Software Testing & Automation — Seed Infotech, Pune
- Diploma in Computer Technology — K.K. Wagh Institute of Engineering, Nashik
